

# Player Registration

Effective with the 2009/2010 soccer year and going forward, player registration will be processed online at [www.croatianeaglessc.com](http://www.croatianeaglessc.com). Coaches, managers and tryout administrators are advised to collect the following at tryout registration:

- Completed US Youth Soccer Association Player Registration form**
- Signed WYSA Release of Liability and Consent for Medical Treatment forms**
- Copy of the registrant's birth certificate**

Please time and date stamp all registration forms received throughout the tryout process. (See the enclosure regarding Wisconsin Youth Soccer Association tryout and recruitment policies.)

After team selections and/or placements are complete, coaches and managers are responsible for the collection of player fees. (The player fee for 2009-2010 is to be determined.)

Player registration and payment of the family fee will be conducted online. A list of available sessions, age groups and divisions included, as well as the open and close dates for registration are listed below. Please direct players who have accepted spots to register online within the registration window.

The family fee, regardless of the number of players registered, is assessed according to the age of the oldest player registered to the club. Rates for players U10 and below are \$150/family. Rates for players U11 and above are \$200/family. This is a one time fee due by September 1 of each soccer year. The online registration system will only recognize and assess one fee if all players from one family are registered in a single transaction.

Managers should contact the Club Registrar regarding registrations issues, including but not limited to:

- Players who miss the designated registration window**
- Families who need to register additional children, but already made their family fee payment**

Team formation, player passes and official rosters are all connected to the new registration system.

Managers must provide the Club Registrar with a list of players assigned to a team within 30 days of their final tryout date. You are also asked to notify the Club Registrar, via email, of any changes or late registrations which are expected to occur.

For the 2009 spring season, all coaches/managers must submit their team roster to the Assistant Secretary in the excel template provided by April 15th.

Consideration for scholarships and/or payment plans is at the discretion of the Club Board. Managers are asked to coordinate with the Board on such requests. You are reminded to respect the confidentiality of these candidates. We also ask that you refrain from publicizing this policy.

## **Croatian Eagles Recreational Registration**

U10 and under

Recreational

06/01/09 – 09/01/09
